

## The George Watts Hill Award

for Citizenship, Academic Progress, Initiative, and Community Service

Hill bestowed the inaugural George Watts Hill Award in 1993, in memory of our founder. Each year, a student in each of Hill's academic levels is selected by their teachers to receive this award in honor of their contributions to their community and commitment to academic growth.

Congratulations to all the recipients of the George Watts Hill Award through the years!

2017: Amryn Murray, Jannire Camey, Jackie Wenzlik
